*“I found the environment for composing to have had a kind of magical air. My residency at the Foundation was one of the great moments of my artistic life.”*

— Lewis Spratlan, Bogliasco Fellow 2013

**THE BOGLIASCO FOUNDATION** is a nonprofit organization that administers the Study Center, located on the Italian Riviera in the village of Bogliasco. The Foundation awards one-month residential Fellowships at the Study Center to artists and scholars who have made significant contributions to the humanities.

**THE STUDY CENTER** is one of the few residential institutions in the world that is dedicated to bringing together individuals from all nations and from all of the humanistic disciplines: Archaeology, Architecture/Landscape Architecture, Classics, Dance, Film/Video, History, Literature, Music, Philosophy, Theater, and Visual Arts.

The Bogliasco Foundation is funded by gifts from individuals, whose support allows us to keep the doors open for all. Gifts in the following amounts sustain the Bogliasco Foundation’s mission to offer artists and scholars a stimulating, international community in which to create new work, exchange ideas and inspire collaboration.

#### **\$100 WORK-IN-PROGRESS**

Equip one studio for use by an artist or scholar in residence

#### **\$250 BUON APPETITO!**

Sponsor a festive evening dinner featuring typical Ligurian cuisine for Bogliasco Fellows and their companions

#### **\$500 FOUNDATION**

Preserve the historic Villa dei Pini, one of the last great villas remaining on the Ligurian coast

#### **\$1,000 INSPIRATION**

Conserve the Study Center’s magnificent gardens, which offer a place of daily reflection, beauty and inspiration

*Your generous gift of \$1,000 or more will qualify for membership in the Società di Amici, the Bogliasco Foundation’s core group of annual supporters.*

*“Being away from my usual cultural markers, immersed in this beautiful country and its people, allowed me to travel internally, artistically, and spiritually in ways that were deeply inspiring and satisfying. My time there was the most productive, supportive and nourishing that I have ever experienced in a residency.”*
