Bogliasco Foundation Fall 2015 Fellows

[See the full list](#) of fall 2015 Bogliasco Fellows

We are very pleased to announce the arrival this September of 24 gifted artists and scholars hailing from ten countries and ranging in age from 30 to 67.

The fall 2015 fellows will pursue innovative projects in ten different disciplines, including film, philosophy, dance, musicology, architecture and literature. The group also includes our first fellow from China, a young filmmaker from Beijing. The diversity of the fellows and their daily exchanges are vital to the unique experience at the Bogliasco Study Center.

Many thanks to the Edward T. Cone Foundation for its significant support, allowing us to award a Special Fellowship to Erin Gee, the 2015 Edward T. Cone Foundation Bogliasco Fellow.
